

## Speaker Profile

Marcus Chang

*Sales Director APAC & Country Manager Malaysia*

Marcus is an engineer with a Master's degree in Environmental Engineering from Austin, Texas. He specializes in water and wastewater treatment processes and distribution/collection. He has engineering design experience where he worked several projects across the USA. Coupled with a lifelong dedication in the water/wastewater industry, he also has more than 20 years' experience in exploring better solutions to solving NRW. Marcus joined Kamstrup since September 2019, and is responsible to help customers developed sensible and viable strategies to adopt smart metering technology along with mastering the use of data analytics to achieve strategic goals.
