

## **Speaker Profile**

Mr. Philippe Alliaume is a professional with a Master's degree in Finance & Marketing from Kedge Business School (France) and Nottingham University (United Kingdom), graduating in 1990. He brings extensive international experience, having spent 15 years in the United States before relocating to Malaysia in 2007.

Upon moving to Malaysia, Mr. Alliaume invested in a company specializing in the manufacture of potable water storage tanks. He later served as Regional Director for the Middle East and Asia-Pacific region for a Belgian firm focused on wastewater treatment solutions.

In 2018, Mr. Alliaume was appointed South-East Asia Director for Otto Graf GmbH, a leading German manufacturer of water management systems. In this role, he established the company's regional office in Malaysia and has since overseen numerous projects throughout South-East Asia, particularly in Malaysia and the Philippines. His work has centered on sustainable solutions for wastewater treatment, rainwater harvesting, and stormwater management.
