Shawn Li

International Sales Director, Hydroking Tech

Shawn Li is born in Tianjin on April 29, 1994, and moved to Canada as a teen, earning his BBA from Yorkville University. By 18 he was filming promotional and company videos for Hydroking Tech in China, then recruiting, designing and shooting for Toronto's OtherHalf in Canada. He co-founded Hamilton's Dash Delivery and led the operations and growth, led marketing and design contracts, and captained sales teams at Integral International. Since 2018 Shawn has served as International Sales Director for Hydroking Tech, driving awareness of Hydroking Tech's MABR and sales across Asia and Europe, turning Hydroking Tech into an International company.
