

Speaker Profile

YBhg. Dato' Ir. Dr. Lim Chow Hock graduated with a degree in Civil Engineering from the University of Malaya in 1978 and a PhD from the University Nottingham Malaysia in 2025. He is a Past President and an Honorary Fellow of the Institution of Engineers Malaysia (IEM), a Fellow of the Academy of Sciences Malaysia (ASM), and a Fellow of CIDB. He is currently the Chairman of the Malaysian Capacity Development Network in Water Management (MyCDNet). On the academic front, he is an Adjunct Professor at the Department of Civil Engineering, University of Malaya, and a member of the Industry Advisory Panel of the Civil Engineering Department at the Monash University Malaysia.

YBhg. Dato' Ir. Dr. Lim retired from public service in 2014 after serving for 36 years with the Department of Irrigation and Drainage Malaysia (DID). He has extensive experience in the fields of irrigation, agricultural drainage, flood mitigation, urban stormwater management, dam engineering, river engineering, coastal zone management, hydrology, and sustainable water resources management and governance. From 2015–2019, he was appointed as a Commissioner of SPAN, a national body regulating potable water supply and sewerage services.
