

SPEAKER PROFILE

Zulfikri bin Suboh graduated with Bachelor's Degree in Civil Engineering from Clarkson University, New York, USA in 1987. He received Malaysia Skills Advance Diploma (Level 5) - Water Infrastructure Planning and Design in 2024. He began his career at Taliworks Consortium Sdn Bhd in 1987 as part of the team in the privatisation concession of Loji Rawatan Air (LRA) Sungai Semenyih in Selangor, the first water privatisation project in Malaysia. He has more than 35 years of experience in the water industry in various capacities and fields of interest including water treatment plant operation, distributions and NRW. He was MWA Council Member for 2023-2035 Sessions. Currently, he is the General Manager of Taliworks Corporation Bhd's Water & Engineering Division.
