

Speaker Profile

Ir. Dr. Zaki Zainudin is a renowned water quality and water quality modeling specialist, having led and played key roles in hundreds of environmental studies for both private and government sectors. Zaki is a Professional Engineer with the Board of Engineers Malaysia (BEM), Chartered Engineer (CEng) with the Engineering Council, UK and Chartered Environmentalist (CEnv) with the Society for the Environment (SocEnv, UK). He is often a source of reference for various organizations on surface water quality management; such as being an expert panelist for the Department of Environment Malaysia (DOE, EIA, Water and Marine units) and is advisor to many prominent environmental and engineering firms. He has conducted various workshops and talks on water quality and modeling at both local and international venues. Zaki is also Vice-Chair of the Watershed and River Basin Management (W&RBM) Specialist Group, International Water Association (IWA). The above is just a glimpse of his credentials. His CV and list of activities can be viewed at :
